The New Jersey Medical School Global Tuberculosis Institute at Rutgers, The State University of New Jersey and Virginia Department of Health, Maryland Department of Health, DC Department of Health and Delaware Health and Social Services

COURSE DESCRIPTION & OVERALL GOAL

This conference will address current and emerging issues in TB. The topics will cover diagnosis and treatment of TB infection, TB and HIV co-infection, managing TB in immunosuppressed persons, TB and diabetes, and local TB elimination strategies. The format will include lectures, case studies, and interactive discussion. The conference will also promote networking, resource sharing, and collaborations among TB colleagues from Maryland, Washington DC, Delaware, and Virginia.

WHO SHOULD ATTEND

This conference is open to physicians, nurses, epidemiologists, public health field staff, health officers, infection control practitioners, and healthcare professionals who are involved in the diagnosis and management of patients with TB infection or disease.

WHY COURSE IS NEEDED

As the incidence of tuberculosis continues to decline, maintaining clinical and public health expertise in TB is particularly challenging. Therefore, ongoing training and education are important for healthcare providers to enhance skills in diagnosis and treatment of TB infection, guidance on treating special populations with TB and role of public health agencies in TB elimination.

OBJECTIVES

Upon completion of this conference, participants should be better able to:

- Recognize the latest advances for assessing risk, testing and treating TB infection to prevent development of disease.
- Integrate current recommendations for the prevention and management of tuberculosis in special populations.
- Develop strategies for increasing community capacity to reduce TB.

COURSE REQUIREMENTS

In order to meet the learning objectives and receive continuing education credits, participants are required to attend the conference, and complete an evaluation form. A follow-up evaluation will be sent within 1 month of the conference.

PLANNING COMMITTEE

Global Tuberculosis Institute
Newark, NJ

ACTIVITY DIRECTOR

Anita Khilall, MPH
Program Director, Education & Training

MEMBERS

Arpita Jindani, MSW, MA
Health Educator

DC Department of Health
Washington, DC

CONTINUING EDUCATION INFORMATION

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Rutgers Biomedical and Health Sciences, Virginia Department of Health, Maryland Department of Health, DC Department of Health, and Delaware Health and Social Services. Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 5.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: This activity is awarded 5.75 contact hours (60 minute CH). Nurses should only claim those contact hours actually spent participating in the activity.

REGISTRATION INFORMATION & FEE

The registration deadline is **October 19, 2018** or until maximum seating capacity has been reached. Please register online at:

<https://midatlantic2018.eventbrite.com>

The fee for this course is \$25 and payment must be received by October 26, 2018. Acceptable forms of payment are credit card, check, money order or purchase order. Check or money order can be made payable to Rutgers Global Tuberculosis Institute and mailed to:

Global Tuberculosis Institute
Rutgers, The State University of New Jersey
225 Warren Street, 2nd Fl., E. Wing
Newark, NJ 07103
Attention: Glynis Sanders
