PENNSYLVANIA TB UPDATE 2011

AUGUST 5, 2011

CNE/CME CERTIFIED ACTIVITY

Course Location

Sheraton Harrisburg Hershey Hotel

4650 Lindle Rd

Harrisburg, PA

Jointly Sponsored By

Pennsylvania Department of Health, New Jersey Medical School
Global Tuberculosis Institute, University of Medicine & Dentistry of
New Jersey (UMDNJ), and UMDNJ-Center for Continuing and Outreach
Education

*This activity is supported in part by an educational grant from the Centers for Disease Control
and Prevention, Division of Tuberculosis Elimination*

The New Jersey Medical School Global Tuberculosis Institute is the tuberculosis Regional
Training and Medical Consultation Center for the northeastern United States

COURSE DESCRIPTION & OVERALL GOAL

The purpose of this training is to increase provider knowledge and awareness of tuberculosis, including TB epidemiology, TB treatment, laboratory diagnosis, pediatric TB, missed opportunities, and contact investigations. This training utilizes lectures, discussions, and case-based presentations.

WHO SHOULD ATTEND

This training is designed for physicians and nurses and other healthcare professionals involved in the management of patients with TB.

WHY COURSE IS NEEDED

As the incidence of tuberculosis continues to decline, maintaining clinical and public health expertise in TB is particularly challenging. This training aims to build the TB knowledge base of clinicians in order to promptly identify and adequately treat cases of latent TB infection and TB disease.

OBJECTIVES

Upon completion of this course participants should be able to:

- Interpret the global, national and local epidemiology of TB to better screen and treat groups that are at high risk for TB
- Apply current recommendations for the treatment of TB to prevent development of primary drug resistance
- Apply current standards of practice in the diagnosis, treatment and management of TB in children and adolescents to ensure successful outcomes
- Coordinate with local providers and organizations in order to prevent missed opportunities in the diagnosis of TB
- Apply the fundamentals of contact investigation in assessing potential TB exposure and transmission in the community
- Review the role of the laboratory for TB diagnostic testing and monitoring response to therapy

CONTENT REVIEWERS

NJMS Global TB Institute

CONTINUING EDUCATION INFORMATION

UMDNJ-Center for Continuing and Outreach Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of UMDNJ-Center for Continuing and Outreach Education, UMDNJ-New Jersey Medical School Global Tuberculosis Institute and Pennsylvania Department of Health.

UMDNJ-Center for Continuing and Outreach Education designates this live educational activity for a maximum of *6.75 AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

UMDNJ -Center for Continuing and Outreach Education is an approved provider of continuing nursing education by NJSNA, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation (COA).

Provider Number P173-11/09-12. Provider Approval is valid through November 30, 2012.

This activity is awarded 6.75 contact hours. (60 minute CH)

Nurses should only claim those contact hours actually spent participating in the activity.

Provider approved by the California Board of Registered Nursing, Provider Number CEP 13780. Approved provider status refers only to continuing education activities and does not imply ANCC COA or NJSNA endorsement of any commercial products.
