TARGET AUDIENCE

This conference is intended for physicians practicing Primary Care, Infectious Disease, Pulmonary and Emergency Medicine. Physician Assistants and Nurse Practitioners are also welcome to attend.

LEARNING OBJECTIVES

At the conclusion of this educational activity, participants should be able to:

- Identify and utilize effective treatment strategies and approaches for TB/HIV co-infection;
- Summarize new technical instructions for immigrants and refugees and apply this knowledge when conducting medical evaluations;
- Recognize the typical presentation of TB disease in patients with TB/HIV co-infection and in patients returning from overseas travel;
- Assess the impact of healthcare reform on barriers to care and the diagnosis and treatment of TB.

SPONSORS

This educational activity is jointly sponsored by the Warren Alpert Medical School of Brown University and the New Jersey Medical School Global TB Institute in collaboration with the Brown University AIDS Program, New England AIDS Education and Training Center, New England TB Consortium, and the Rhode Island Department of Health.

This program is an activity of the Northeastern Regional Training and Medical Consultation Consortium.

CME ACCREDITATION

Accreditation: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Warren Alpert Medical School of Brown University and the New Jersey Medical School Global TB Institute. The Warren Alpert Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation: The Warren Alpert Medical School designates this educational activity for a maximum of 5 *AMA PRA Category 1 Credits*TM. Physicians should claim only credit commensurate with the extent of their participation in this activity.
