WHAT'S NEW UPDATE STI, HIV, HEPATITIS, FAMILY PLANNING, AND ADDICTIONS

Conference Description

This conference will focus on the integration efforts that support a collaborative healthcare approach. Current medical updates in services for STIs, HIV, TB, hepatitis, family planning and addictions will be discussed.

After completing this conference, the learner should be able to:

1. State current practice in the care and treatment of STIs, HIV, TB, and hepatitis
2. Explain how to screen clients for substance abuse
3. Describe current methods of effective contraception

Disclosures

CDC, our planners, presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias. Presentations will not include any discussion of the unlabeled use of product or a product under investigational use with the exception of Dr. Furness's Discussion of STIs. He will be discussing extra genital screening for gonorrhoea and Chlamydia.

The Centers for Disease Control and Prevention and STD/HIV Prevention Training Center at Johns Hopkins are jointly providing the CNE for this activity.

CDC did not accept commercial support for this continuing educational activity.

Continuing Medical Education

Origination Date: September 6, 2016

Expiration Date: September 6, 2018

ACCREDITATION STATEMENTS:

CME: This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Centers for Disease Control and Prevention and STD/HIV Prevention Training Center at Johns Hopkins. The Centers for Disease Control and Prevention is accredited by the (ACCME®) to provide medical education for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Centers for Disease Control and Prevention designates this live activity for a maximum of 5.0 AMA PRA Category 1 Credits™.
