

## **Latent TB Infection (LTBI) Videos for Primary Care Providers**

### **Acknowledgments**

We would like to thank the primary care providers and other health care workers who participated in our needs assessment, including those from Federally Qualified Health Centers and state and local health departments.

We would also like to thank the following individuals who participated in reviewing the videos on screening and diagnosis in 2019:

Phillip Bolduc, MD  
Family Health Center of Worcester  
UMass Medical School

Sally Cook, RN  
Vermont Department of Health

Jerry Nasenbeny, MD  
Anchorage, Alaska

Rebecca Thal, NP-C  
Family Health Center of Worcester

Laura Young, MPH, CIC  
Virginia Department of Health

Ed Zuroweste, MD  
Pennsylvanian Department of Health  
Migrant Clinicians Network
